Thinks he would be helpful (and capable of aiding in evaluation of Russian
news and active anti-Russian propaganda. Had experience in that type of work
in connection with setting up Klossow and his co-workers. Has contacts
whom he could still make available.

Expert on psychological warfare.

Has been very helpful to Department of Justice Mission in opening up back-
ground for investigations here. (See letter of recommendation by Noel E.
STORY, Washington.) APO 757 or HOECHL, by HEINRICH KASSEL.

Has acted as witness at Nuernberg several times. Has not been convicted of
any participation in war crimes.

Would not be interested in writing for historical div.

Would expect to be under constant supervision as he is well aware of his
reputation, but is willing to work for the Americans as he thinks the cause
is so important.

Married, has wife and three children in Bremen.

If handled properly, would be very loyal. No half-measures on his part, as that
would hurt his own self-esteem.
